The **Algiers International Fair (FIA)**, in its **57th edition**, is the major economic and commercial event in Algeria, bringing together each year local and international companies from various sectors: industry, commerce, services, technologies, agri-food, energy, and many others.

Held at the **SAFEX Exhibition Centre**, the FIA offers a modern and dynamic exhibition space, ideal for business exchanges, strategic partnerships, and business development. The event attracts both professionals seeking new opportunities and a broad public interested in innovations and new developments across various sectors.

Objectives of the Fair

- Promoting innovation and technological solutions in Algeria and internationally.
- Facilitating B2B meetings and the creation of strategic partnerships.
- To offer companies a showcase to present their products, services and expertise.
- Raising public awareness of market trends and developments.

What you will find at the FIA

- Sector-specific pavilions showcasing the latest innovations.
- Interactive conferences, workshops and demonstrations.
- Networking spaces to strengthen professional relationships.
- Cultural and event activities for a diverse and family audience.

At its **57th edition**, the FIA continues to establish itself as an **essential event combining business, innovation and experience for all visitors**, contributing to the economic influence of Algeria and the promotion of international trade.
