Fruits of Life

Started in 1995 when fresh coconut water was served either in its natural shell or white plastic cups, Fruits of Life Inc. saw the need for the improved packaging for fresh coconut water that would not just be convenient but also sanitary and leak proof. Primary consideration in the whole process is that it must not compromise the natural freshness, flavor and quality of the coconut water. Thus, Lipa Fresh Coconut water was born.

Quality is paramount to Fruits of Life, Inc. and we produce our coconut water under strict rules on sanitation food safety. Certification/Registration include GMP/HACCP (TUV-SUD), HALAL (IDCP), Kosher, USFDA & Phil FDA
