Invitation to participate in supplier prequalification

Procuring entity:
Ministry of Ecology and Natural Resources (address: 100 A Kazim Kazimzadeh Street, Yasamal District, Baku, Azerbaijan; contact person: Mr Emin Arif Garabaghli; email: emin.garabaghli@eco.gov.az)
(name, address, telephone and fax, name and title of responsible person)

is conducting a supplier prequalification procedure for the procurement of the following services: "Preparation of a Comprehensive Feasibility Study for the Assessment, Remediation, Clean-up, Ecological Rehabilitation and Sustainable Management of Twelve Priority Lakes of the Absheron Peninsula, Republic of Azerbaijan" (details are provided in the Prequalification Documents).
(name, quantity, technical specifications and place of delivery or performance of goods, works or services)

Qualification and other documents, translated into English, signed and stamped, must be submitted in a sealed double envelope to 100 A Kazim Kazimzadeh Street, Yasamal District, Baku, Azerbaijan, by 16:00 on 4 November 2026 (Baku time).

Non-resident suppliers that do not have a branch or representative office in the Republic of Azerbaijan may participate in the next stage of the procurement as members of a temporary or permanent joint venture established under an agreement with a resident supplier, without forming a separate legal entity.

Enclosure: Prequalification Documents — 75 pages
