

About Us

ELLAZIQ The Halal Food Specialist was founded in the year 2009. The company is established to meet the global need for quality, safe and hygienic food. It strives to identify itself as halal foods specialist – one who specializes only in quality halal food and leaves no room for compromise where quality, safety and variety is concerned.

Like our name, **ELLAZIQ**, which was derived from the Arabic words of “El” (meaning “the”) and “lazeez” (meaning “delicious”), we aim to provide quality halal food for the discerning end consumer; for the busy person who wants more value in life.

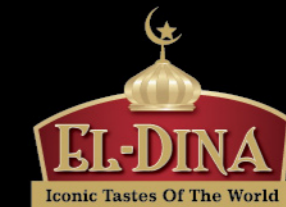

When people purchase an **ELLAZIQ** product, they can be assured that it is a halal food product that has:

- Variety - **ELLAZIQ** offers a wide variety of exquisite food products for our customers to choose from.
- Safety - **ELLAZIQ** is 100% focused on safety, and we take pride in our ISO 22000, HACCP and AVA Grade A certification.
- Quality - We also enjoy the same **ELLAZIQ** products as you - that is how we ensure that the quality remains top-notch.
