

Union Glass has been manufacturing the table glassware products in different shapes and designs in pressed-glasses system such as tumblers, mugs, cups, plates, bowls, shots etc. Furthermore, we also produces glasses made to order as the customers' design. Please see our attached e-catalogues or visit our website at www.unionglassthai.com

Our major market is Asian countries with more over USD 25 million annual sales turnover being distributed with including the worldwide market ie North America, Europe, Africa and Middle East. Union Glass had invested the new machines in the recent year in order to expand the new market to cover the premium customers.

Our major business is for three sectors: -

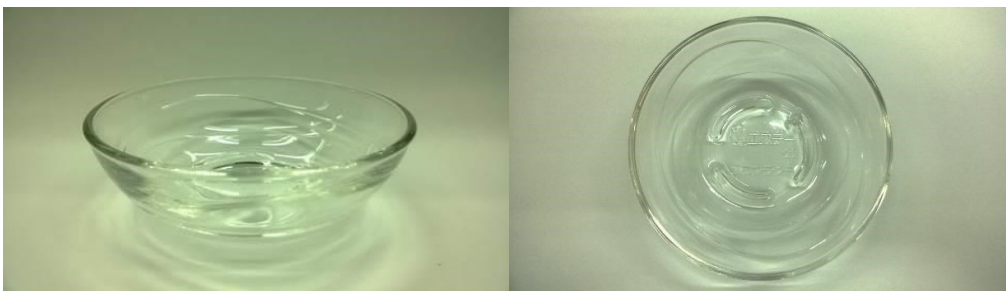

- 1) Importer or wholesale market for our Union Glass's clear glasses brand (Union, Union Thailand and UG)
- 2) Hyper market, Super Market, Department Store, Super Store, Retails Chain Store for both under Union Glass' own brand or customer house brand.
- 3) Advertising market or called Premium market: to put the customers' logo brand with printed screen on glass
