HOLLANDIA
INTERNATIONAL

Hollandia International continues to listen to you, our valued customer, and striving to meet and exceed your expectations.

A TRADITION OF INNOVATION

Hollandia International was founded in 1981 by Isaac Barssessat, with the goal of developing sleep systems that enhance the quality of sleep experience and extend the benefits of restfulness to customers for the rest of their lives.

FEATURES

The means to the perfect sleep system

A Back Sliding System

Reposition the bed by sliding it backwards when adjusting the back. Allows you to maintain eye contact with your partner and makes your night table more accessible.

B Sleep System Motors

Smooth, fast, whisper-quiet motors.
11 year warranty.
Made in Germany.

C M.B.S – Mobile Bed System

With the press of a button, retractable casters gently lift the sleep system for easy movement and cleaning.

D H.P.L – High Pressure Laminate

Sharp design, highly durable material.
Resistant to steam and humidity.
* Black steel frame also available.

E Telescopic Head Support

Total head and neck ergonomic support.

F Massage Motors

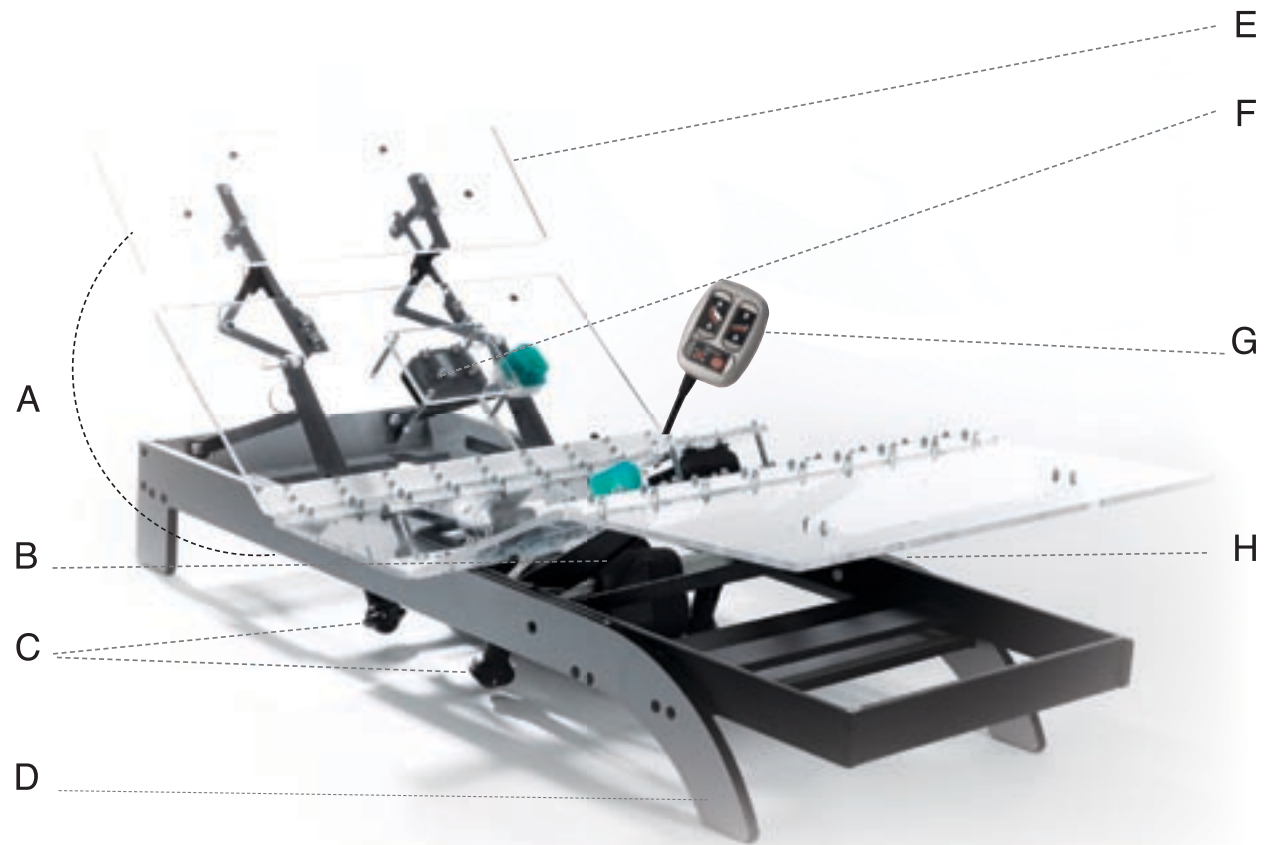

Advanced vibration system improves blood circulation and provides relaxation.
Twelve massage programs.
Automatic shut-down after 30 minutes.
Memory of last programming.
Made in Germany.

G Pneumatic Hand Control

Operates independently with air pressure rather than with batteries or electricity.
Ergonomically designed with large, glow-in-the-dark buttons.
Made in Germany.

H Total Safety System

Advanced safety system that automatically stops any motion of the bed if a child or pet touches the base of the system.
