

Why Luxembourg for ICT companies?

INVITATION

Luxembourg Trade & Investment Office-Seoul is pleased to invite you to our seminar on 'Why Luxembourg for ICT companies?', which will be held on the 19th of November at 16:00 at Coex in Seoul.

Mrs. Youn hee Kim, Luxembourg Trade & Investment office will introduce the attractive ICT environment of Luxembourg and Mr. Daniel Soriano, Telindus and Mr. Sung-Jin Kim, former head of NEXON Europe will add information on the 'State-of-the-art Datacenter industries in Luxembourg'. The favorable taxation system and the procedure to set up a company in Luxembourg will be introduced by Mr. Cédric Carnoye, Deloitte.

Luxembourg is one of the leading ICT countries in Europe, hosting several international recognized companies such as NEXON, Valve, Amazon, Ebay, Skype, and I-tunes.

We are looking forward to meeting you at the seminar and wish to exchange our views on the global ICT industry.
