HYDRO HYALURONIC LINE

HYALURONIC MOISTURIZING LOTION

HYDRO HYALURONIC MILK

The milk with the formula free from paraben, silicone and mineral oils, is intended for dry and scaling skin. It is based on the PENTAVITIN® complex, hyaluronic acid and extracts from tea and algae. It simultaneously smoothes, moisturizes and cleanses the skin preparing it optimally to absorb other cosmetics.

200 ml code 1321

HYALURONIC MOISTURIZING TONER

HYDRO HYALURONIC TONIC

It is based on a foundation free from potential allergens and contains PENTAVITIN® complex which effectively increases skin hydration. Hyaluronic acid, tea and algae extracts ensure smoothing and refreshing of the epidermis. The toner gently removes make-up residue and restores natural pH to the dry and dehydrated skin.

200 ml code 1323

24h MOISTURIZING HYALURONIC CREAM

HYDRO HYALURONIC CREAM

The cream with the new, natural formula based on PENTAVITIN® complex, ensures long-lasting skin hydration. Hyaluronic acid with white tea and algae extracts relaxes the tensed skin, provides anti-oxidation care and effectively prevents skin aging. The allergen-free base guarantees comfort and smoothing for the dehydrated skin.

50 ml code 1328 *☾

INSTANTLY MOISTURIZING HYALURONIC ELIXIR

HYDRO HYALURONIC ELIXIR

It is intended for overdried, flaking and tanned skin. It contains "moisture magnet" which instantaneously increases skin hydration. The crosslinked hyaluronic acid fixes water and protects the skin from its loss. The natural base prevents skin irritation and silk smoothes the epidermis giving it a truly silky finish. Recommended also for men.

PLANT STEM CELL CREAM STEM CELLS CREAM

This is a biologically rejuvenating cream containing stem cells which stimulate self-regeneration of the epidermis and the synthesis of collagen and elastin. Antileukine 6® inhibits inflammation and decreases the risk of skin irritation. It is fully based on natural ingredients and thus, recommended for mature, sensitive, allergy-prone and atopy-prone skin. Recommended also for men.

50 ml code 1281 * ☾

PLANT STEM CELL EYE CREAM STEM CELLS EYE CREAM

It is based on rejuvenating stem cells as well as on Aldavine™ 5x and caffeine which stimulate microcirculation and reduce dark shadows and under eye puffiness. The cream is 100% natural, recommended for very sensitive skin under eyes which does not tolerate traditional cosmetics and is susceptible to allergies.

BIOLOGICAL REJUVENATION OF SENSITIVE SKIN WHICH IS SUSCEPTIBLE TO ALLERGIES AND ATOPY

OUR EXPERT'S ADVICE ↓
COLLAGEN & MICROCOLLAGEN LINE
ANTI-WRINKLE PREVENTION

The correctly selected cosmetics can hinder and delay the skin aging process. Therefore, the first wrinkles should be a signal to change the manner of skin care. The products of Collagen & Microcollagen line contains ingredients which stimulate the lazy skin to produce a greater quantity of collagen and elastin. The biomimetic peptide complex, Perfection Peptide P3®, in connection with microcollagen, improves skin tension and restores radiance to a dull looking complexion. Additionally, vitamin C and rutin reinforce elasticity of the capillary vessels and protect them from excessive reactivity.

COLLAGEN & MICROCOLLAGEN LINE

MICROCOLLAGEN SATIN EMULSION

MICROCOLLAGEN SATIN EMULSION

This make-up removing emulsion of a rich formula combines cleansing qualities with intense care. It is intended for the skin with the first visible signs of aging, which has lost its elasticity. The peptide complex and microcollagen improve tension, restore smoothness and appropriately moisturize the skin.

200 ml code 1169

MICROCOLLAGEN LIFTING LOTION

MICROCOLLAGEN LIFT LOTION

The toner of a rich formula is intended for the skin with the first signs of aging. The peptide complex and microcollagen improve tension, restore smoothness and appropriately moisturize the skin. The product gently cleanses, refreshes and softens the skin and thus, ensures better absorption of other applied cosmetics.

200 ml code 1167

COLLAGEN ACTIVE CREAM

COLLAGEN ACTIVE CREAM

The toner of a rich formula is intended for the skin with the first signs of aging. The peptide complex and microcollagen improve tension, restore smoothness and appropriately moisturize the skin. The product gently cleanses, refreshes and softens the skin and thus, ensures better absorption of other applied cosmetics.

50 ml code 1119 *☾

MICROCOLLAGEN AND PEPTIDE CREAM

MICROCOLLAGEN & PEPTIDE LUXURY CREAM

The cream contains microcollagen and biomimetic peptide complex which reinforce skin's natural regeneration, improves its tension and ensures optimal moisture. It restores firmness and prevents wrinkle formation. The cream also contains protective UV filters. It is a perfect make-up base.

50 ml code 1166 *☾

SUCCESSFUL FIGHT WITH THE FIRST WRINKLES

OUR EXPERT'S ADVICE ↓
ANTI AGE DE LUX LINE
– HOW TO REJUVENATE AND
ENSURE SKIN RADIANCE

The Anti Age de Lux Line is intended for persons above 45 years old and it guarantees optimal, anti-wrinkle treatment. Mature skin requires comprehensive home treatment based on the formula rich in active components. VITASOURCE™ stops the biological clock of facial skin cells and thus, delays the aging process. SUBERLIFT® creates a firming and facial contour correcting net. The tri-peptide complex instantly lifts the skin and makes wrinkles less visible. HYDROMANIL® protects against water loss and the diamond dust lights up the complexion restoring its juvenile radiance. Anti Age de Lux Line is especially recommended to be applied before a special event.
