

Testimonials by professionals

"The Association of Meat Processors in Bulgaria organized for the 21st time Meatmania exhibition. Each year we provide an opportunity to involve more and more new companies, which means that companies are satisfied." - **Ilonka Avramova, Chairman of the Association of Meat Processors in Bulgaria.**

"The exhibition has grown into an important platform for the presentation of specific and useful qualities of Bulgarian dairy products to the international investors. This provides opportunities for increasing of the manufacturing, the export and for better business relations" - **eng. Dimitar Zorov, Chairman of the Bulgarian Association of Dairy Processors.**

"Bulpek can be broadly classified into two categories: traditional and modern. Annually exhibitors present new innovative products in the range of wheat bread, as well as products produced by crafts techniques." - **Mariana Kukusheva, Chairman of the National Association of Bakers and Confectioners.**

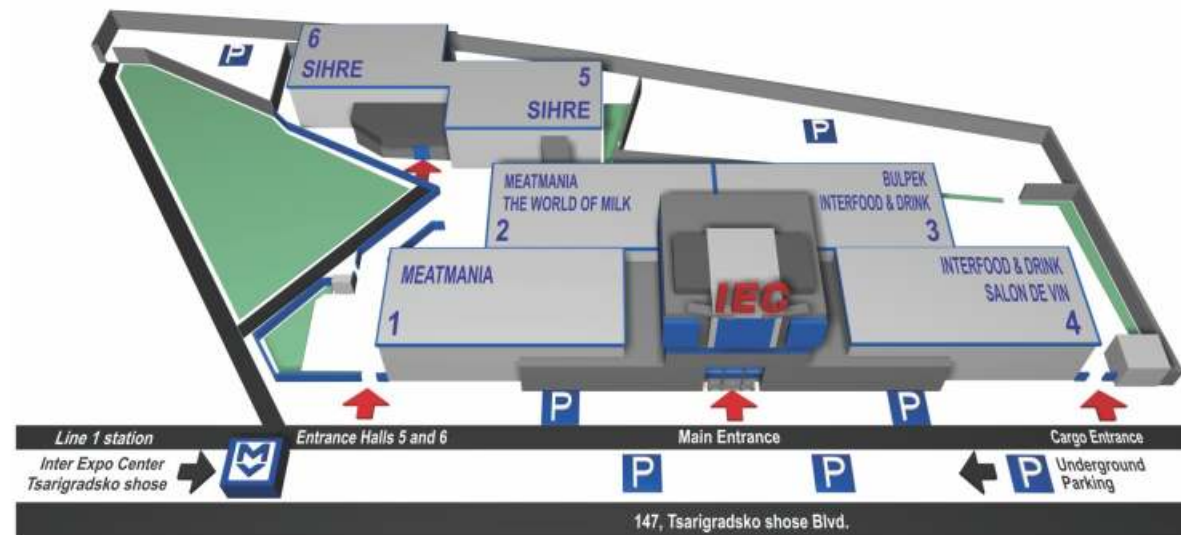

"The key to success of the exhibition is the high level of its organization. The rising number of halls and exhibitors from different countries indicates the progress of the event." - **Antoaneta Bojinova, Executive director of the Union of the Processors of Fruit and Vegetables.**

"More than just an event, the exhibition has grown into a platform both for business partners and end-costumers." - **Radoslav Radev, Chairman of the National Vine and Wine Chamber.**

"We are glad there is a hospitality and horeca exhibition where we can meet and discuss the latest tendencies." - **Georgi Georgiev, Chairman of the National Association of Hotel, Restaurant, Cafeteria.**

Benefit from synergies

Organizing the six exhibitions in parallel has become a successful combination between different brands and businesses that bring customers with the same interest. The variety of products and services every year attracts Bulgarian and foreign visitors, who can use the platform to work with professionals in the field. The international exhibitions enable consumers to evaluate, and become aware of the advantages of technologies in the food industry as well as the innovations in the field of professional kitchen equipment.

The success recipe for the hotel and restaurant business of SIHRE exhibition includes thematically divided areas for participating companies, as well as attractive areas for demonstrations.
