

AKWAWIT - POLMOS S.A.

commercial offer

## AKWAWIT-POLMOS ONE OF THE LEADERS ON THE VODKA MARKET

We produce:

- highest quality **pure vodkas** (grain and potato spirits)
- extraordinary **flavoured vodkas**

We guarantee:

- unique quality combining modernity and tradition
- most technologically advanced production lines
- specialized laboratory
- solid, highest standards proved by quality certificates

## PASSION AND DEDICATION FOR DECADES

Vodkas produced by us are known to connoisseurs in Poland and in the whole world. The most known brands include: Krakus, Krakus Exclusive, Wratistlavia, Herbowa Gorzka and Arktica.

Our offer is targeted at business customers. For years we have been also creating personalized brands – private labels.

COMPLEX

OFFER

# WRATISLAVIA THE DIAMOND OF LOWER SILESIA

## Exclusive pure vodka (40%) based on grain spirit

Multiple distillation gives Wratislavia exquisite and balanced flavour. Its unusual packaging is a real piece of art... Satin bottle lined with platinum, with the image of the 19th century Wroclaw, will be perfect for special moments and important celebrations. Wratislavia performs the role of an exclusive business card of Lower Silesia and represents Wroclaw during celebrations in Poland and abroad.

VOLUME 500, 700, 750 ml

STRENGTH 40% vol.

*Available in a decorative tube.*

# KRAKUS EXCLUSIVE PURE TRADITION

## Exclusive pure vodka (40%) of top premium quality

Its biggest asset is the noble, mature and rich flavour which has been developed for years.

You can be sure that the content of the bottle is of the highest quality. Careful selection of grains, first-rate neutral spirit combined with crystal clear water gives exceptional taste. All is emphasized by the elegant, satin bottle lined with platinum.

Krakus Exclusive is a choice for demanding customers who choose things that have a unique history, look and taste.

VOLUME 500, 700, 750 ml

STRENGTH 40% vol.

*Available in a decorative tube.*

# KRAKUS

## FUN IN THE POLISH STYLE

**Grain based vodka (40%) of medium segment and highest quality**

All the world knows that Poles like having fun. We are pioneers of unforgettable, social meetings.

Krakus has been present on our tables since 1962. Now it is presented in a new form – we combined traditional, proven taste and the pert character with a new form.

VOLUME 100, 200, 500, 700, 750 ml

STRENGTH 40% vol.

# ARKTICA POLAR REFRESHMENT

Pure vodka of economy segment

Crystal clear,  
produced for connoisseurs who wish to  
experience a real pleasure of taste.  
Its icy character is best reflected after cooling,  
and every sip becomes an exceptional  
and tasty journey to the far north.

VOLUME 200, 500, 700, 750 ml

STRENGTH 38 and 40% vol.

## RECTIFIED SPIRITS STRENGTH AS AN ADDITIVE

These are top quality alcohols for processing of neutral  
smell and high degree of purification.  
They are perfect for making home infusions, liqueurs and  
vodkas. They can be used for medicinal purposes.

VOLUME 100, 200, 500, 750, 1000 ml

STRENGTH 95 and 96% vol.

# Krakus 37,5 %

It is time for cool, fruity refreshment. It will be provided by Krakus in special, **natural flavours** of **orange, lime, cranberry** and **grapefruit**.

Produced from the best spirit with the addition of the purest water and fruit liqueurs, it will satisfy the requirements of the most sophisticated connoisseur.

## FLAVOURED refreshment

# ARKTICA 32%

Don't need much volume of alcohol? Try our Arktica vodkas in **natural flavours** of **lemon, cherry** and **grapefruit**.

# HERBOWA GORZKA

## UNIQUE BY NATURE

**Sweet and bitter vodka**, produced according to traditional recipe on the basis of natural infusions, herbs and the luxury grain spirit, served in a modern form.

It warms up wonderfully and cheers up even on the chilliest days, and in spring and summer it is perfect for refreshing drinks.

VOLUME	100, 200, 500 ml
STRENGTH	36% vol.

# TURÓWKA

## HERB-FLAVOURED VODKA

**Flavoured vodka** with unique notes of herbs, lemon balm and coriander. Amazingly refreshing with natural sweetness.

Tastes excellent itself or mixed with apple juice. Must have position in connoisseur's selection.

VOLUME	500, 700 ml
STRENGTH	40% vol.

# KUKULKA

## COCOA-VANILLA LIQUOR

VOLUME	500 ml
STRENGTH	32% vol.
