HOT BLOOD 2.0
Complex Pre-workout Stimulant

Our **HOT BLOOD** complex pre-workout formula is specifically designed to support your body in physical activity, especially during high intensity training!

Our 5 component, no-proprietary formula provides the most studied Creatine form used. Creatine in this dose is proven to power up human performance in explosive bursts of strength, high intensity exercise (low weight training)*

24 active ingredients:

- 5 Creatines
- Beta Alanine
- L-Carnitine
- Amino Acids
- Caffeine
- Vitamins & Minerals with Bioperine®!

Many of our select ingredients contribute to one or more of the following beneficial physiological effects*:

- Neutral buffering of the central nervous system
- Increased muscle mass and endurance
- Improved mental focus
- Increased energy and endurance
- Neutral muscle and joint aches
- Glycogen balance

Aspartame free!

*These statements have been scientifically proven and authorized by the European Food Safety Authority. Use products in conjunction with a sensible training and nutrition program!
