

# IHSAN<sup>®</sup>

SPORTS BALLS

Manufacturer of  
World's Largest  
Soccer Ball in 2002

# Since 1957

## ABOUT THE COMPANY

Sports goods manufacturer since 1957, today Ihsan Sports is amongst the largest exporters of Sports balls and Sports Wear in Pakistan.

It has been fifty years since our equipment made its debut in playing fields and arenas across the sporting world. Each product is manufactured with finesse and precision to give athletes the winning edge they need.

As testament to our unyielding principles we guarantee that there is never any room for compromise. And it is a matter of pride for us that every single product manufactured at Ihsan Sports is in compliance with the strictest international quality standards and labour regulations.

- Ultra fibrous thread provides water resistance, durable seams & excellent shape retention.
- 2-Years stitching & shape guarantee.
- Size 5.

## IS-5100 TOP FIELD

- Cordly 9740. Shiny surface.
- Polyurethane ball with diagonally stretched, multilayered reinforcement of shape & roundness of the ball.
- Ultra-fibrous thread provides water resistance, durable seams & excellent shape.
- 2-Years stitching & shape guarantee.
- Size 5.

### **IS-5200 SHELL**

- 100% PU, 2 tone, 1.4mm. Shiny surface.
- Polyurethane ball with diagonally stretched, multilayered reinforcement for optimal roundness & shape.
- Ultra fibrous thread provides water resistance, durable seams & excellent shape retention.
- 2-Years stitching & shape guarantee.
- Size 5.

### **IS-5300 NEON**

- 100% PU, 2 tone, 1.4mm. Shiny surface.
- Polyurethane ball with diagonally stretched, multilayered reinforcement of shape & roundness of the ball.
- Ultra-fibrous thread provides water resistance, durable seams & excellent shape.
- 2-Years stitching & shape guarantee.
- Size 5.

## IS-5400 TEAM

- 100 % PU Korean Duck Sung ball for optimal absorption & maximum bounce
- Supple outer cushioning material for excellent head support.
- Reinforced with stretched multilayered diagonal network for maximum roundness & true flight.
- Size 5.

## IS-5500 TARGET

- 100 % PU, 1.4mm thickness.
- Reinforced stitching increases the overall tightness & strength of seam.
- Available in dull & shiny outer surfaces.
- 2-Years stitching & shape guarantee.
- Size 5.

## IS-5600 CAMPUS

- 100 % PU, 1.2mm thickness.
- Laminated with diagonally stretched, multilayered fabric that helps maintain shape and maximizes circumstances stability.
- Available in both dull and shiny outer surfaces.
- 2-Years stitching & shape guarantee.
- Size 5.

## IS-5700 LEGEND

- PU - PVC (Double Tone) synthetic leather ball.
- Laminated with diagonally stretched, multilayered fabric that helps maintain shape and maximizes circumstances stability.
- Available in both dull and shiny outer surfaces.
- 2-Years stitching & shape guarantee.
- Size 5.

**IS-5800 SUPER STAR**

- Made with PU - PVC, 1.5mm thickness, synthetic leather.
- Laminated with multilayered reinforced fabric for excellent roundness & shape retention.
- Available in both dull & shiny surfaces, in any color desired.
- 1-Year stitching & shape guarantee.
- Size 5.

**IS-5900 TRAINING**

- PVC synthetic leather.
- 1.5mm thickness. Laminated with multi ply lining to ensure superior strength & shape retention.
- Available in both dull & shiny surfaces, in any color desired.

**IS-6000 WINNER**

- PVC synthetic Leather.
- 1.10mm thickness. Laminated with multi ply lining to ensure superior strength & shape retention.
- Available in both dull & shiny surfaces in any color desired.

**IS-6100 BRONEX**

- PVC synthetic material, 1.0mm thickness.
- 4-Ply laminated with multilayered polyester/cotton lining for softer touch & better abrasion.
- Available in both dull & shiny outer surfaces in any color desired.

# SOCCER & VOLLEY BALLS

ihansports.pk

## IS-6200 STAR

- PVC synthetic material, 1.0mm thickness.
- 3-Ply laminated with multilayered polyester/cotton lining for softer touch & better abrasion.
- Available in both dull & shiny outer surfaces in any color desired.

## IS-6300 BROUSSIA

- PVC synthetic material, 1.0mm thickness.
- 2-Ply laminated with multilayered polyester/cotton lining for softer touch & better abrasion.
- Available in both dull & shiny outer surfaces in any color desired.

## IS-6400 INDOOR BALL

- 1.5mm Korean PU artificial suede.
- Neoprene sheet lamination.
