WE ARE

Sports goods manufacturer since 1957, today Ihsan Sports is amongst the largest exporters of sports balls and sports wear in Pakistan.

It has been fifty seven years since our equipment made its debut in playing fields and arenas across the sporting world. Each product is manufactured with finesse and precision to give athletes the winning edge the need.

As testament to our unyielding principles we guarantee that there is never any room for compromise. And it is a matter of pride for us that every single product manufactured at Ihsan Sports is in compliance with the strictest international quality standards and labour regulations.
