

B2B Programme Search for suppliers of solutions, instruments, services and unconventional technologies

Prominent Purchasing and R&D Managers are invited to attend the B2b meeting programme that will take place on **16th and 17th April** in Turin during the **8th edition of A&T**, the leading Italian Exhibition for solutions and technologies focused on cost reduction, productivity improvement and reliability.

In particular, buyers and R&D Managers will be able to get in touch with Italian suppliers providing innovation on following topics:

- Materials characterization, new materials and alloys;
- Testing and metrology;
- Industrial maintenance;
- Robot, artificial vision, manufacturing and process controls;
- New manufacturing systems, surface treatments, welding technologies
- Simulation, additive manufacturing, cad-cam-cae

Besides the opportunity to select the most interesting suppliers/partners, the Purchasing and R&D Managers can provide technical details about the performance they wish to improve, the researched product or the problem they need to solve, and the Team will act to involve suitable suppliers matching the requirements.

The organization will provide purchasing and R&D managers with following services free of charge:

- a customized agenda on 16th April, based on the matchmaking between needs and know-how
- a customized visits programme on 17th April on the premises of a selection of suppliers met
- accommodation (board and lodging) in NH LINGOTTO Hotel in Turin on 15th and 16th April 2014;
- shuttle service from the airport to the hotel and back;
- networking dinner on 16th April with suppliers and exhibitors;
- free entry pass to the show;
- one-to-one assistance during the event.

The 2013 edition hosted 210 exhibiting companies, 14 congresses, 16 seminars, 700 brands and more than 1000 premieres.

The b2b programme is organized by Piemonte Agency within the framework of "InTO MECH: Torino-Piemonte Manufacturing Shop", the cluster project financed by the Piemonte Region Authority and the local Chambers of Commerce. The event is co-financed by the Association of Italian Chambers of commerce and ICE - the Italian Trade Agency, that, together with Piemonte Agency, attends to the involvement and welcome of international Buyers.
