When enjoying Local Ink, explore the characteristics of fresh baked bread, toffee, chocolate, coffee and burnt sugar. Perfect to warm up with or cool down.

Named and produced in conjunction with the famed tailgating team, this American style lager is brewed to produce a distinctly strong hop character to set it apart from its macrobrewery counterparts. We use pilsner, melanoidin and dextrin malts to create a crisp, clean brew. A portion of all sales go to the team to support their fundraising for Ronald McDonald House.
