OCuSOFT Lid Scrub Original Formula

OCuSOFT Lid Scrub Original Formula is your solution for daily eyelid hygiene. Many times, poor eyelid hygiene is the root cause of Dry Eye, Blepharitis, and numerous other conditions. OCU SOFT Lid Scrub Original, the *#1 doctor recommended* eyelid cleanser, makes it easy to initiate and sustain an eyelid hygiene regimen.

OCuSOFT Lid Scrub Original is a non-irritating eyelid cleanser that conveniently and effectively removes oil and debris that may contribute to dry, scratchy, and irritated eyes. For an option that is perfect for the shower, a convenient instant foaming eyelid cleanser pump dispenser is also available.

OCuSOFT Lid Scrub Original is incredibly easy-to-use. Simply close the eyelids, then gently scrub the eyelids with OCUsoft Lid Scrub and rinse with water. By following this regimen every day, you will be well on your way to maintaining ocular eyelid and eye health. OCUsoft Lid Scrub Original formula is available in pre-moistened pads in a convenient dispenser carton, or an economical instant foam pump dispenser.

OCuSOFT Lid Scrub Original is available at most national retail locations including, but not limited to Walgreens, CVS, Wal-Mart, Rite Aid and Duane Reade. For more information, visit www.ocusoftlidscrub.com.

OCuSOFT Lid Scrub PLUS Extra Strength Formula

OCuSOFT Lid Scrub PLUS Extra Strength eyelid cleanser is recommended for patients with moderate to severe eyelid conditions. This latest innovation in eyelid hygiene is designed as a “leave-on” formula, maximizing its ease-of-use. OCUsoft Lid Scrub PLUS contains a low-level preservative and moisturizer blend providing a wide range of antibacterial activity. This Extra Strength formula effectively eradicates seven different strains of bacteria. A recent study has also demonstrated that OCUsoft Lid Scrub PLUS kills Demodex mites, a common inhabitant of eyelashes, and is also ideal to be used in any pre-surgical eyelid regimen.

OCuSOFT Lid Scrub PLUS is part of the *#1 doctor recommended* Lid Scrub family of products. It is suggested that patients with severe conditions initially use OCUsoft Lid Scrub PLUS Extra Strength for two weeks. Then, once the condition is under control, patients should switch to OCUsoft Lid Scrub ORIGINAL for their long-term eyelid hygiene maintenance. OCUsoft Lid Scrub PLUS formula is available in pre-moistened pads in a convenient dispenser carton, or an economical instant foam pump dispenser.

OCuSOFT Lid Scrub PLUS is available at CVS, Walgreens, Duane Reade and many other fine retailers. For more information, visit www.ocusoftlidscrub.com.

Tears Again Family

Tears Again family of lubricants includes:

Tears Again Liquid Gel Drops is a high viscosity formula for moderate-severe conditions that eliminates the need for multiple instillations. Preservative dissipates upon contact.

Tears Again Night & Day Gel is a water based formula for severe conditions that will not blur vision like oil-based ointments. Preservative dissipates upon contact.

Tears Again MC Eye Drops is a cool, soothing eye drop containing HPMC. Preservative dissipates upon contact.

Tears Again Eye Drops is a soothing eye drop containing Polyvinyl Alcohol.

Tears Again Preservative Free Ointment is a lubricating oil-based ointment for night time use.

Tears Again advanced Liposome Spray

Dry, scratchy, irritated eyes? The problem may not be your eyes, but rather your eyelids. Tears Again advanced Liposome Spray soothes with a refreshing mist and lubricates, using patented liposome technology to deposit water and lipids, protecting against moisture loss. Liposomes are microscopic molecules that have been used for years in cosmetic and drug delivery. Vital nutrients and antioxidants that include Vitamins A, C, and E have been added to provide relief from eyelid irritation
