Taiwan Agriculture Week 2017

Nov. 09 - 11, 2017
Kaohsiung Exhibition Center

A Platform To Generate Business Opportunities, Deals & Networks

- Taiwan Agriculture Week is a trade show platform designed to connect and generate business agreement and networking between exhibitors, buyers and agriculture experts.
- 3,918 trade buyers and visitors from 19 countries. 72% from Asia do business with 183 exhibitors from 13 countries. The success of TFVS 2016 encourages us to develop Taiwan's agriculture and technology market to the international stage by launching Taiwan International Agri Technology Show and Taiwan International Flower Expo. The 3 flagship shows will be opened under a mega show called TAIWAN AGRICULTURE WEEK 2017.
- Taiwan Agriculture Week delivers a complete platform of the fresh produce business, agriculture equipment, technology & innovation and horticulture.
- Taiwan Agriculture Week is held in Taiwan and establish as the hub to connect Asian market to the entire market in the world.

ASIA'S GOLDEN MARKET-Meet the Right People

Taiwan Agriculture Week is the platform to connect you with the entire ecosystem in agriculture industry

- **Hosted Buyers Program** : A platform designed to invite the VIP buyers from all over the world by giving them the incentive of free accommodation for 4 days, 3 nights during the show.
