The Artisan Range Benefits

The Summer Land Artisan Range is richly nourishing skin care made from Australian Pasture-Raised Camel Milk. Designed as a luxurious addition to your every day routine, our products are gentle enough for all skin types. This small-batch skin care line infuses invigorating and revitalising essential oils to complement the natural benefits of our pure liquid Camel Milk. The range includes face, body and hair products.

Camel Milk is the core ingredient of our skin care products. We take ultimate care of our animals on our bio-dynamic farm to ensure the milk they produce is the finest on earth. Our pure fresh milk is processed on our farm using a gentle proprietary process – not powdered or chemically treated. This ensures only the finest product reaches your skin and is 100% active and rich in all its prized nutrients.

The Artisan Range Benefits

Our Summer Land Skin Care is developed with your ultimate wellness in mind. Camel milk has been treasured for thousands of years for its beauty benefits, producing clear, hydrated, younger, brighter looking skin and healthier hair.

The unique molecular structure of the milk naturally penetrates and stimulates the deep lower layers of skin and hair. It has unrivalled moisture absorption, cell regeneration and collagen production properties. These benefits make it more effective than any other natural skin care ingredient, enhancing immediately visible effects and underpinning long-term benefits.

Camel Milk contains naturally occurring active nutrients including:

- + *Essential Fatty Acids
Omega 3, 6 & 9*
- + *Alpha Hydroxy Acids*
- + *Vitamins and Minerals
A, B, C, D & E*
- + *Potent Anti-Aging and
Anti-Oxidant Phospholipids*
- + *Anti-Inflammatory,
Anti-Bacterial,
Anti-Viral and Anti-Fungal
Immune Proteins*

*Our hair care cleanses, conditions
and hydrates leaving your hair
shiny, silky and manageable.
It restores your hair to it be its
best naturally, without the need
for any additional products.*
