The Summer Land Camel Milk Signature Range is a premium skin care range made from Australian Pasture-Raised Camel Milk. Designed to be suitable for the whole family, our products are gentle enough for all skin types. We have carefully selected a unique blend of Australian Botanical Extracts to complement the natural benefits of Camel Milk for this Signature Range. The range includes face, hair and body products for every day use.

Camel Milk is the core ingredient of our skin care products. We take ultimate care of our animals on our sustainable farm to ensure the milk they produce is the finest on earth. Processed on our farm using a gentle proprietary process, the range is made with pure fresh milk – not powdered or chemically treated – to ensure only the finest product reaches your skin. Our products use whole natural pure Camel Milk that is 100% active and rich in all its prized ingredients.

**SKIN CARE**

*Signature Range*

Our Summer Land Skin Care is developed with your ultimate wellness in mind. Camel milk has been treasured for thousands of years for its beauty benefits, producing clear, hydrated, younger, brighter looking skin and healthier hair.

The unique molecular structure of the milk naturally penetrates and stimulates the deep lower layers of skin and hair. It has unrivalled moisture absorption, cell regeneration and collagen production properties. These benefits make it more effective than any other natural skin care ingredient, enhancing immediately visible effects and underpinning long-term benefits.

Camel Milk contains a multitude of naturally occurring active nutrients including:

**Essential Fatty Acids Omegas 3, 6 & 9**

**Alpha Hydroxy Acids**

**Vitamins and Minerals A, B, C, D & E**

**Potent Anti-Aging and Anti-Oxidant Phospholipids**

**Anti-Inflammatory, Anti-Bacterial, Anti-Viral and Anti-Fungal Immune Proteins**
