

Dear Sir or Madam

On behalf of The Research Center on ICF and Assistive Technology (**RICFAT**), National Yang-Ming University , it is with great pleasure that I write to invite you to visit **ATLife 2018, Taiwan– Assistive Technology for Life** from 19th to 22nd July, 2018 at TWTC Nangang Exhibition Hall Center, Taipei City, Taiwan.

ATLife 2018, Taiwan is organized by RCFAT and Chan Chao Int'l Co., Ltd. and get strong support from Taiwan Assistive Technology Industry Association (TATIA) as well. The exhibition connect the assistive technology industries with the end users, as well as with the central and local governments and promote the integration among various assistive technology resources. Taiwan government is promoting Long-Term Care policy and focus on assistive technology industry. There are over 300 domestic and overseas mechanisms, associations, institutions support the show.

The coming **ATLife 2018, Taiwan** is the most professional and biggest assistive technology and long-term care exhibition in Taiwan, which recruits over near 175 exhibitors, 500 booths. **ATLife 2018, Taiwan** includes various topics not only Four Thematic Areas, Seven pavilions of assistive industries, Highlight Areas but also the Forums and Exhibitors' Presentation, provides the best platform to exchange information and connections between government and industries, distributors and manufacturers, exhibitors and visitors. It also offers an extraordinary opportunity for buyers to explore the emerging markets of assistive technology and long-term care industries in Taiwan.

Please do not hesitate to contact us if necessary.

Best Regards,

Shwn-Jen Lee, PhD
