# WELCOME TO **PAPER ME 2019**

The **11<sup>th</sup>** Edition of the Leading International Exhibition for  
**Paper, Board, Tissue Paper & Packaging Industry**  
in Egypt, Africa & MENA Region

AFRICA is a fast growing market with a population of over 1.3 billion people it is reported recently that Africa & MENA region is the future of paper production paper industry in Africa & MENA region was generating billions of dollars with growth of 20% compared to the international growth rate which is between 2% and 6%, Africa & MENA region offer a wealth of opportunities for the paper, board, tissue manufacturers and suppliers.

This has been the driver of **PAPER ME** growing importance, making it the awaited appointment for all paper specialists that offers a clear overview of the industry's growth prospects for 2019 & 2020 in Africa & MENA region.

Building on the success of 2018 edition **PAPER ME 2019** will strive to stay always ahead of the curve and will feature more range of world leading manufacturers and suppliers. It will provide a fruitful and transparent interaction between the suppliers and industry specialists to introduce themselves to the rapidly-developing markets.

If you aim to increase your company's profits, developing business relationships, joining the paper industry elite, and enhancing your company's image, **PAPER ME 2019** should become an integral part of your marketing strategy.

**MAKE YOUR VOICE HEARD IN AFRICA AND MENA**

## WHY **AFRICA** IS IN WORLD POWER SPOTLIGHT

- Africa houses six of the world's top 12 fastest-growing countries.
  - The International Monetary Fund asserts that in the five years to 2023, Africa's overall growth prospects will be among the best in the world.
  - Africa is the world's second largest continent after Asia "30.2 million square km".
  - Africa is the world's largest population after Asia "more than 1.3 billion people".
  - African economy has the potential to grow at fast pace because it is very rich with natural resources.
- Few figures: Africa has almost 90% of the world's cobalt, 50% of gold and 90% of platinum, 70% of tantalite, 98% of chromium, 64% of magnesium and 33% of uranium.
- Africa has 54 States.
  - Africa is surrounded by Mediterranean Sea, Suez Canal and the Red Sea, Indian Ocean and Atlantic Ocean.
  - Africa has numerous emerging and promising markets.
  - Africa has strategic locations among the world.

## WHY **PAPER-ME**

1. **PAPER -ME** is the only specialized exhibition in Africa representing, supporting and developing the Paper industry in Africa.
2. **PAPER-ME** was a tipping point in the Paper industry in Egypt and this was clearly shown from the figures of Egypt's export and import related to the Paper industry before **PAPER-ME 2009** (1st edition) and after **PAPER-ME 2018** (10th edition).
3. **PAPER-ME** has contributed to a significant increase in the number of factories in Egypt related to the Paper industry.

**AFRICA TODAY IS THE PART OF THE WORLD  
THAT OFFERS THE BEST RETURN ON INVESTMENT**

## TOP 10 REASONS TO EXHIBIT IN **PAPER-ME 2019**

1. Fast convenient access to new, alternative and emerging markets in Africa and MENA region.
2. Networking opportunities with thousands of new customers.
3. Total market awareness about Africa and MENA region.
4. To review your business strategy in Africa and MENA region.
5. To monitor your competitors in this regions.
6. To identify business growth opportunities in Africa and MENA region.
7. To meet face to face with agent that you are looking for and set suppliers with better conditions and qualities.
8. To support your overseas agents and distributors in these regions and neighboring states.
9. To understand the impact of macroeconomic development on your business I. Africa and MENA region.
10. To evaluate risk and opportunities in Africa and MENA region.
