

EXPOEAST
MANUFACTURING & GLOBAL TRADE CO.

ExpoEast For Manufacturing & Global Trade Co. is a fresh inception to promote our Manufactured Products to the Global Market.

ExpoEast aims to lead through this production concept, capitalizing on the breadth of business and management experience brought by its investors and board of directors.

Moreover, **ExpoEast** welcomes any limited resources producers and manufacturers with ISO:22000 to collaborate to promote and activate new revenue streams through global markets.

In Fact , **ExpoEast** has already kicked-off its operations with the manufacturing of:
