Margosa AZADIRACHTA INDICA

Margosa, known better as "kohomba" in Sri Lanka and "neem" in India, has been a medicinal ingredient for millennia in Ayurvedic herbology.

This herb has been used for over 4,000 years as a natural antibacterial and the antioxidants in this miraculous herb purify and detoxify the skin naturally.

Khomba

In bringing the best of health to you, the key ingredient of our Khomba range is margosa.
