

COOPERATION OFFER

Dear Sirs,

The company "SUB-DRY" LLC, represented by the director I. Mamatmuratov, with regards and pleasant, would like to present you our unique commercial offer.

Currently, SUBDRY is one of the most advanced dried fruit production companies and is one of the largest food producers in Central Asia and Europe. The main direction of production is sublimated drying fruits produced by new technologies, which allows to preserve the flavor and all the beneficial properties of fruits grown on the fertile land of Uzbekistan.

SUBDRY Sublimated Dried Fruits is a high-quality, tasty product that is suitable for eating (as a healthy snacks) and as additive to food. The bestseller is the Uzbek melon, which is world famous due to its honey aroma and unique taste.

All fruits grown in special fields go through several stages of carefully washing and manual cleaning before heading to the special freeze-drying chambers. This process totally controlled by specialists through special computerized system. We also pay special attention to the packaging of the product, for its convenient transportation and storage. Adding nitrogen during packaging, we create good conditions for fruits to maintain their properties, shape and aroma.

The product is made in the form of cubes 8X8 and 10X10 mm and in the form of chips, with a thickness of 3 and 5 mm. Packaging is possible in different volumes from 20 to 1000 grams. And also, in large volumes of 3000 grams.

Suggested types of the product and price for 1 kg:

- Apple 48 USD
- Pear 47 USD
- Quince 40 USD
- Plum 37 USD
- Peach 40 USD
- Apricot 38 USD
- Lemon 46 USD
- Melon 60 USD
- Figs 44 USD
- Strawberry 60 USD
- Cherry 40 USD

In this connection we are ready to provide you more information and we are open for cooperation discussion based on your requests.

***Best regards,
General director of «SUB-DRY» LLC
Mamatmuratov I.***
