

**COOPERATION OFFER**

**Dear Sir/Madam, Good day!**

Company LLC"ARPAL", Ukraine, is a leading producer of :

**Wood chippers (branch loggers)**

**Wood shredders**

in Ukraine (Vinnitsa city, central region). Totally more than 50 types of equipment. We have 100 % complete production cycle (that makes our final product always maximum high and stable quality level and gives us full control for all production stages and final product). Besides, as a producer, we are very flexible in price policy.

We started our production in 2013 and have great experience in our business. Our company is a leader in Ukrainian market in production of wood chippers, wood shredders, wood splitters, cleaning equipment. Also, our team has experience in exporting our product to EC, ASIA, Australia.

We have all EC and ASIA certificates.

We want to develop our cooperation with foreign partners and increase our sales to export markets.

Our company is ready to offer you long-term and mutually beneficial cooperation on the best conditions. We are distinguished by efficiency and flexibility in the formation of effective solutions.

We will be very glad to cooperate with you and are ready to provide our offer for all our products that may interest you.

We deliver to anywhere in the EU or Asia and other markets by our means of transport, thereby guaranteeing the complete safety of our product.

We will be happy to provide you with complete information about our company, about our products, price offers, volumes, technical parameters, web materials etc. We will provide absolutely all the information you are interested in according to your request.

For all questions you are interested in, please contact our export department, who is also fluent in English, at the contacts listed below at any time.

Thank you in advance for your prompt reply.

***Best Regards,***
