of machine translation**

**Records all events in each project to apply
artificial intelligence to future projects**

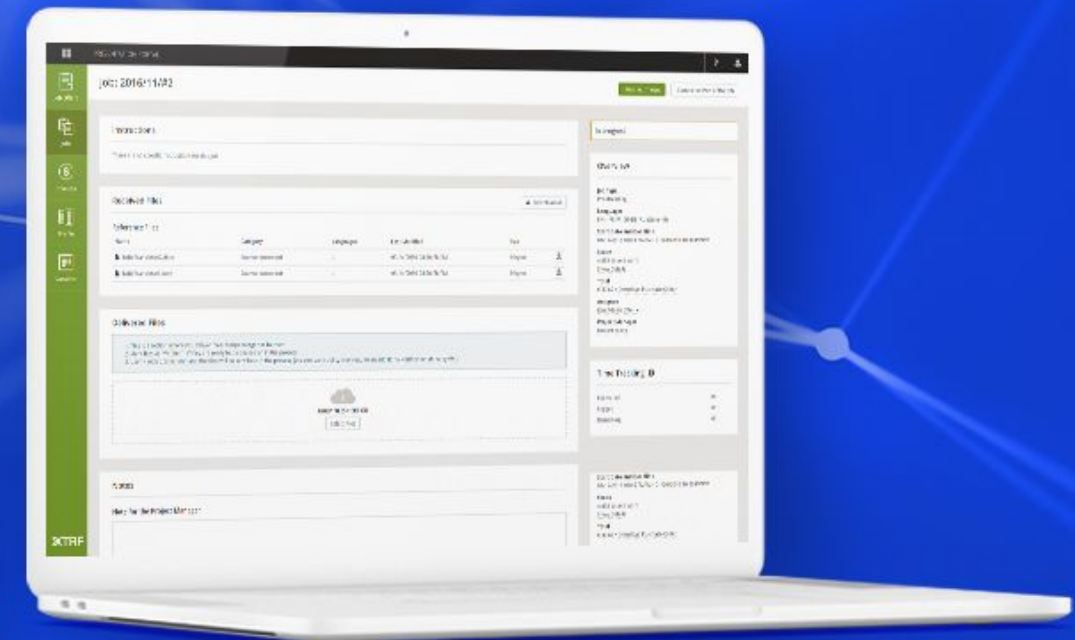

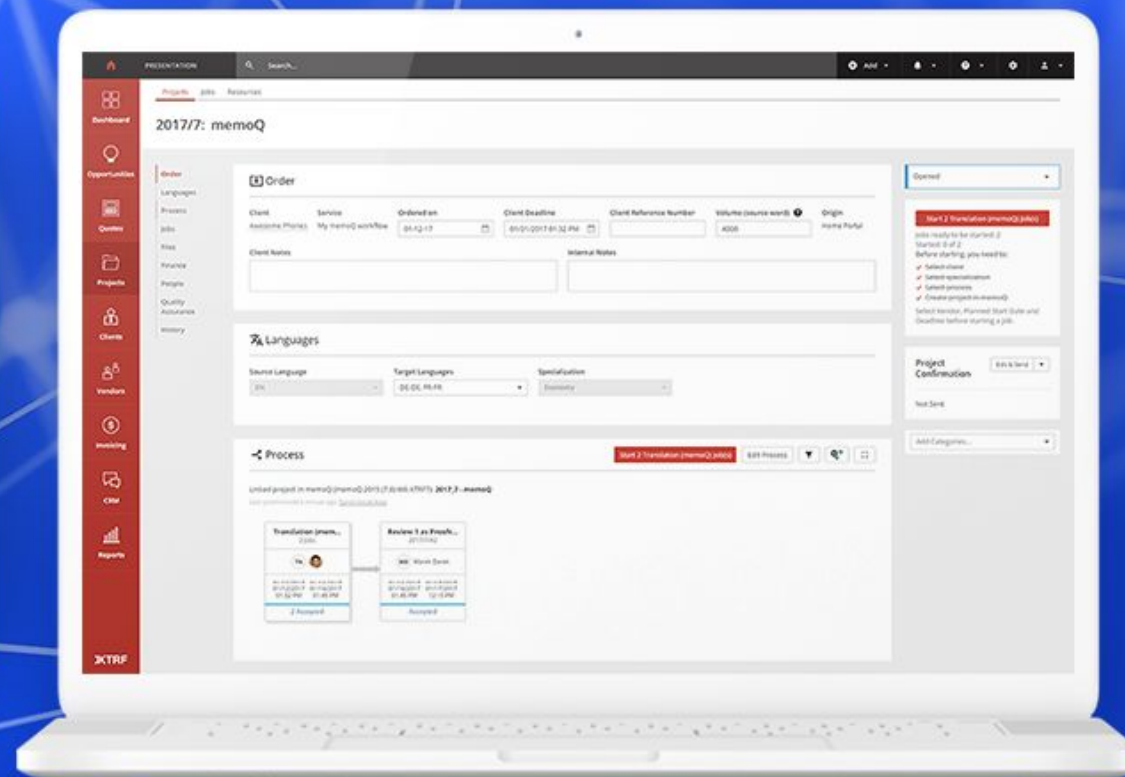

PRODUCT: 3 PORTALS

Client Portal

Home Portal

Vendor Portal

XTRF CHAT

Built-in instant communicator.
All conversations appear in context.

XTRF Home Portal

The screenshot shows the XTRF Home Portal interface. On the left is a navigation sidebar with icons for Dashboard, Opportunities, Quotes, Projects, Clients, Vendors, and Invoicing. The main content area displays a project titled "2020/154: Marketing_translation". Below the project title, there are sections for "Order", "Client" (C_Alden4205034945 Mark), "Actual Start Date" (2020-06-29 15:52), "Client Reference" (56764), "Client Notes", and "Languages". A chat window is overlaid on the project page, showing a conversation between Paulina Makles and Kathy McPrice. The chat messages include: "Hi Kathy! How are you doing?", "I've just sent a project your way, can you please confirm the deadline and let me know in case there are any questions?", "Hi Paulina! The deadline is OK, but can you please share some reference materials from the client as well?", and "Ok, thank you!". A file named "Reference_file.docx" is attached to the chat.

This screenshot shows the XTRF chat application interface. At the top, it displays the contact name "Walker - Conroy" and the email "lizeth.net". Below this, there are tabs for "Ongoing", "All", and "Settings". The main chat area shows a conversation with Paulina Makles and Kathy McPrice. The messages are: "Hi Kathy! How are you doing? I've just sent a project your way, can you please confirm the deadline and let me know in case there are any questions?", "Hi Paulina! The deadline is OK, but can you please share some reference materials from the client as well?", and "Ok, thank you!". A file named "Reference_file.docx" is attached to the chat. The interface also shows a list of project members and project managers.

THE XTRF EXPERIENCE

WHAT OUR CLIENTS SAY

"(...) we have all business critical data in **one single tool, easily accessible from anywhere without the IT overhead.** (...) Our PMs now have **more time to spend on value-added tasks** instead of manual emailing, quoting or generating POs."

Michal Kmet'
Managing Director | Lexika

Lexika[®]

"I love the reporting. (...) I feel that I have the data I need now to make **decisions** (...) I enjoy the **daily reports emailed to me**, such as quotes prepared per day and projects per day."

Huiping Iler
President | Wintranslation

wintranslation

"(...) **project management with XTRF takes about half the time** (...) we now can do **more projects with fewer employees.** (...) the new software, **due to its high customizability, adapted to the individual needs** of a translation agency."

Cecilia Riqué
Head of Company | UGZ Translation Agency
