

## AIT — THE GAMECHANGER SMART DESK

AiT Desks are fully customizable pieces of smart furniture especially designed with health-promoting benefits in mind. Their unique hydraulic drive mechanism, that is protected by Hungarian patent, can also be controlled by a smart phone application. The Wireless Charger, Air Quality Sensor with CO Alarm, Security Drawer, Cable Management Solution, Ambient LED Lighting, Hands-free Bluetooth Speakers, Ergonomic Footrest and Aromatherapy Diffuser all serve to make your workday more efficient. The built-in Fitness Module also compiles personalized workouts for you.
