# ABOUT US

A person wearing a brown suit jacket, a white shirt, and a dark blue tie with white anchor patterns is holding a white cup of coffee on a saucer. The background is a blurred office setting.

PSI Trade International was founded by a group of multi-cultural professionals who wanted to provide service between countries with the following objectives:

- ☯ Fulfill your needs according to your products and company profile.
  - ☯ Develop new commercial channels and position your products in different countries.
  - ☯ Become your commercial ally.
-

**We are here to create authentic and borderless connections for you”.**
