ABOUT US

"Global Export Company" LLC is a specialized company for harvesting, processing and exporting legumes and dried fruits (raisins, dried apricots, dried prunes, walnuts and peanuts). The drying process of our products is always natural, which means all dried products are dried in nature.

The company also exports a wide range of fruits and vegetables, consumer goods, as well as imports products not produced in Uzbekistan.

"Global Export Company" LLC is exporting beans and dried fruits to more than 10 countries, including China, Vietnam, Indonesia, Sri Lanka, India, Iran, Afghanistan and others.

WHY US?

GUARANTEES

Our company guarantees the quality of the products, full compliance of the products with technical parameters, execution of the order in the agreed time, delivery of the products to the buyer.

QUALIFICATIONS

The company's activities are provided by highly qualified specialists with many years of experience in large trading companies from 10 to 15 years.
