Our Profile

Javana Graphics (Pvt) Ltd.

(Manufacturer's of Panther Brand Educational Toys and Games & Stationery)

Established in 1989, Javana Graphics (Pvt.) Ltd., is a family owned company that has made an immense contribution to the Sri Lankan market. With our innovative ideas and our passion for design and colour we have been able to rapidly expand our company to approach the goals we set out to achieve. We manufacture stationery, Educational toys and games & a range of lever arch and two ring files.

Javana Graphics Pvt. Ltd. has a fully equipped printing press and is situated in the Ratmalana Industrial Estate. As part of our plan to showcase our diverse Product line, we opened our online store in 2020. Thus our client base has increased considerably and continues to grow.

We have a staff of 80 employees and about 80% of the staff are young school leavers. We take great pride in harnessing fresh ideas and talent in our young workforce. Ongoing training and development is paramount as it ensures that our clients receive the best quality products the market has to offer. Therefore the staff of Javana Graphics (Pvt.) Ltd. are provided with in-house training and regularly evaluated in order to maintain the highest standards.

Our range of products manufactured and distributed include, filing & paper storing Stationery, office stationery, notebooks & writing pads and a wide and creative range of educational activities, toys & games. Most of our educational Toys are in puzzle form. The puzzles are used to introduce colours, numbers, keywords, the alphabet, stories, sequencing, time and many skills to children between the ages of 2 to 6 years.

Panther Educational Toys

Panther educational products have been designed and developed based on the advice of leading educational practitioners and child psychologists in the country. Therefore we take pride in the fact that we are at the forefront of early childhood education today. We are the only manufacturers of Puzzles in Sri Lanka.

The educational toys have been a great success and we hope to break new ground through the manufacture of other similar educational products.

Our recent addition to the Toy range includes Magnetic products. We have Magnetic letters in English, Kadam akuru in Sinhala (both word building games), and to introduce shapes and colours 'Magnetic shapes' were marketed.

We continue to strive to educate children through our unique, creative and affordable products.

Panther Stationery

Our stationery is mainly focused on design and colour. We are at the fore front of developing new products which are in line with current international trends and we take pride in being able to provide the Sri Lankan consumer with products of high quality and latest design.

We are also in the process of establishing ourselves globally by exporting our products to Norway, Netherlands, Maldiv Islands and the Seychelles. Our integrity is not only recognized locally but also by the Netherlands based Fair trade organization. Details of our products could be checked by visiting our web site www.panther.lk
