Dear distinguished KOIMA Members,

The Commercial Office of the Embassy of the Arab Republic of Egypt in Seoul would like to express to your esteemed agency its highest regards and full respects.

We have the pleasure to introduce the Egyptian company "**Cairo 3 for Agricultural and Animal Production**" which is the market leader in the Middle East and Africa in the agricultural commodity trading and manufacturing. This company is founded in 1981 and has been well known internationally for its wide range of fresh produce trading under the brand **Qutoof**. The company cultivates most of its own products to ensure quality, tractability and high-quality standards using the latest technology according to the international standards & certification facilities.

We would highly appreciate if you could disseminate this information to the concerned Korean importing companies working in such fields, and invite them to check their website, and get in contact with the company, who would be more than willing to provide further information and details, and certainly accommodate any further requested requirements. Please find hereunder their contact details:
