

Dear All
Good Day

It is my pleasure to introduce *Ceramica Cleopatra Group* as a global hi-tech manufacture of lifestyle ceramics, porcelain and bathroom suits integrated solutions.

Ceramica Cleopatra Group is positioned as the largest integrated manufacture of the complete range of products in the Middle East & Africa and amongst the few in the world.

At *Ceramica Cleopatra Group* we produce ceramic & porcelain tiles for walls and floors, special tiles for cladding and swimming pools as well as complete sets of bathroom suites, bathroom accessories, acrylic bathtubs and various fine fire clay products including décor tiles.

Ceramica Cleopatra Group is a group of manufacturing facilities under several brand names.

With a capacity of 94 million meters every year of ceramics and porcelain tiles of various sizes from 10x10cm to 120x120cm of different designs and purposes as you may observe in our attached sample catalog.

Ceramica Cleopatra Group also produces one million pieces of sanitary ware of various models and 150 thousand acrylic bathtubs every year.

Ceramica Cleopatra Group is holder of a number of quality certification and all products confirm to all international standers allowing *Ceramica Cleopatra Group* to export to numerous countries around the world.
