

Dear Sirs,

Our company "BAXTI IMPERIYA HOLDING" LLC expresses its respect and we offer the licorice root from Uzbekistan.

The company has its own licorice root processing workshop in Samarkand region.

We offer licorice root in several ranges:

1. Pressed in bales. Each bale is 200-250 kg. We can prepare 44 tons (two 40 'containers) per month. Currently there are 130 tons in stock. The price is 1250 \$/tn.

2. Slices A, B, C and D grades. We can prepare 26-27 tons (one 40 ' container) per month.

Currently, there are 32 tons of grades A, B, C and 12 tons of grade D in stock.

The price for the grades A, B, C is 3000 \$/tn.

The price for the grade D is 2000 \$/tn.

3. Crushed root. We can prepare 100 tons per month (four 40 'containers).

The price is 900 \$/tn.

4. Chopped root 3-4 cm (barrels). We can prepare 48 tons (two 40 ' containers) per month.

The price is 1700 \$/tn.

5. Sticks of 25-30 cm, packed in bales of 70 kg. We can prepare 80 tons per month (four 40 'containers). There are 70 tons in stock. The price is 1700 \$/tn.

Prices do not include transportation and given on FCA Uzbekistan terms.

Specification attached.

With best regards and hoping for long-term and mutually beneficial cooperation,

Commercial Director

Abdurakhmanov B.G.

"BAXTI IMPERIYA HOLDING" LLC was established in 2016 with the aim of processing and exporting licorice root.

During the period of its activity, the company exported licorice root to Korea, Ukraine, through Russia to the Seychelles, Tajikistan, and Japan.

The company has been exporting D-grade slices to Japan for more than 10 years, since 2008 through a partner company, and since 2016 directly.

The company has its own blank workshops in Karakalpakstan, Khorezm and Samarkand region.

Currently, the company has the ability to harvest licorice root in several assortments:

Slices A, B grades

Slices C grade
