TRULY SRI LANKAN SPICES

FOR A NATURAL & HEALTHY LIFE

ABOUT US - "Simply Ceylon" is a proprietary company which entered the spice industry in December 2015. Since then we have been providing high-quality Sri Lankan spices and related products to the local and international markets. Our spice production includes a comprehensive range of Ceylon spices and other local ingredients such as salt, pepper, cardamom, cloves, curry leaves, lemongrass, ginger, cashew nut and moringa. Some of these products are available in a variety of forms such as powder and pieces. All these are made using high-quality and all-natural ingredients giving the end result of the finest Ceylon spice products.

BEST QUALITY - All products maintain the highest quality as per local and international standards with the ability to produce the best results in terms of taste. As a result, our products have been able to stand out in the Sri Lankan and global markets

AFFORDABLE PRICE - We believe that high-quality need to be paired with affordability, which is why we offer our range at reasonable rates in comparison with market prices. Our prices have become a distinct feature of our successful outcome in the local and international ventures.

ALL-NATURAL - All our products items have been sourced and produced in Sri Lanka which is why we guarantee that they are all-natural in all aspects. This makes our spices and other local ingredients, suitable and safe for consumption along with providing a number of health benefits for the consumer.

SUSTAINABLE PACKING - Packaging plays a crucial role when it comes to any product. We stand by this statement and have sustainable packing for all our items according to the requirement and status of the ingredients. We have a range of packing solutions including grinder, stand up Kraft pouch and jar.

Ceylon

Grinders

An assortment of the finest salt, spices packed and sealed in these air-tight glass jars without the use of any preservatives or added colours will add a gourmet dining experience to your regular homecooking. The range of Simply Ceylon grinders has an in-built grinder onto its cap for single use. The whole spices when ground instantly over food before consumption, adds more depth of flavour as the essence of these spices are retained. The shape of the jar is carved in a way to enable better grip while using the grinder. Twist the grinder cap alternating between clockwise and anti-clockwise movement for best results.

Shakers

An assortment of the finest spices packed and sealed in these air-tight glass jars without the use of any preservatives or added colours will add gourmet dining experience to your regular homecooking. These quality sprinklers elevate your homecooking to a fine dine experience. The two-way flip cap allows the spices to either be sprinkled on the dish or scooped generously as per requirement, by just an alternate flip of the cap in opposite directions. The shape of the jar is carved to enable a better grip while sprinkling or scooping the spices, and are reusable too.
