

REGENCY TEAS (PVT) LTD.

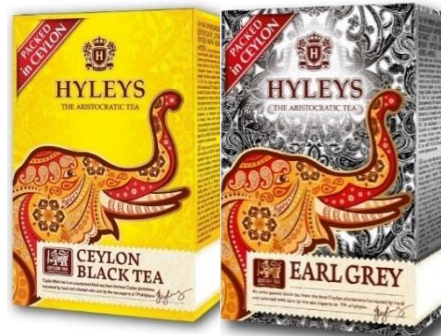

CORPORATE PROFILE

Regency Teas (Pvt) Ltd.

Background

- For well over a century, Sri Lanka has been synonymous for producing the world's finest teas. Its rich taste, crisp aroma and therapeutic qualities give Ceylon Tea a distinctive advantage over other origins.
- We at Regency Teas take pride in presenting this wonder beverage to our valued customers, in breathtaking form.
- Regency Teas (Pvt) Ltd., was founded in 1997 by a group of tea enthusiasts who were at the time, firmly established in the plantation management sector. The desire to present tea loving consumers worldwide with a unique plantation fresh 'cuppa' motivated these tea specialists to give birth to Regency Teas.
- The company has a modern office with extensive tea tasting facilities located at the boundary of the commercial capital, Colombo. Our tea packaging and storage facility is equipped with tea cleaning technology, latest tea bagging machines and automated production lines.

- With a production output of 3 million tea bags per day (75 million per month), Regency Teas is currently the 5th largest exporter of tea bags from Sri Lanka. The tea bagging facility boasts of the latest tea bagging machines from Germany & Italy producing staple free tea bags, as well as micro-filter Pyramid tea bags.
- Our highly experienced team of professional tea tasters grade over 8,000 lots of tea per week & taste over 500 cups of tea per day, identifying & selecting the right type of teas to suit different markets around the world.
- We are committed to achieve the highest required product standards at the most competitive price, which we take great pride, in delivering to each and every client.
