nomad playtime

sport/ethnic

colours

Mixing the colours of raw materials takes us on a journey. The colours of genuine cowhide, earth and wood, lit up by intense, bright pigments.

style & spirit

A Mix & Match style. An unbridled mix of genres and cultures, technical sport and ethnic influences, for a bold, layered fashion.

materials & textures

Playing with improbable, surprising materials, when new technologies enrich traditional and handmade fabrics.

materials

Flesh splits / Natural grain leathers / Reversible and stretch leathers / Cut-out leather net / Perforated soods / Multicoloured pained leathers / Patent crocodile / Crushed vinyl / Jersey and summery cotton fleece / Linen canvas and tarpaulin fabric / Ethnic weaves.

motifs & accessories

Patches and embroidery / Fringes and tassels / Carved wood / Glass or multicoloured beads / Raffia, plastic and coloured strings / Tribal prints / Overlaid tattoos, African, str...

APLF Colour, Material and Product Trends Inspiration

APLF Spring-Summer colour/material forecast and Fall-Winter product trends will be released during the exhibition. The best exhibits are curated and displayed at the onsite trends spaces.

The Annual Meeting Place for Industry Leaders

Held during the first quarter of the year, associations, media and governmental bodies choose APLF as their number one platform to organise their annual meetings.
