

SHAN TEAS
(PRIVATE) LTD

COMPANY PROFILE

Pure
Ceylon Tea

PREMIUM QUALITY

Humble Beginning of Shan Teas

Ever since Shan Teas (Private) Ltd opened its doors to business on the 7th of February 2003 it has built itself a reputation, both in the trade and among its clientele, of dynamic growth and absolute commitment to excellence in quality of service and product.

Every aspect of our business is approached with integrity because we believe that creating mutual trust is key in establishing enduring and productive relationships. We never compromise on quality, valuing long-term growth over short-term gain. Above all we pride ourselves in our commitment to our clientele placing service quality above contractual obligation in guaranteeing customer satisfaction.

Expanding & Growth

Shan Teas is one of the fastest growing tea exporting companies in Sri Lanka. We are committed to tailor making our products to individual client needs whilst maintaining the standard expected of Ceylon Tea. Our team is passionate and energy driven and has more than four decades of combined experience in tea production, distribution and sales experience. We promise to seamlessly adapt ourselves to the needs of our expanding list of international clienteles. We have emphasized on the Quality of our products and have obtained the ISO 22,000 : 2018 certificate for Food Grading and GMP (Goods Manufacturing Practice) & HACCP Certification which we have obtained and maintained over the years.

We understand that our clients' requirements vary by culture, and believe in maintaining close personal contact with them to ensure our understanding of their needs.

It is **our energy, our passion for quality and our commitment to service** that has made us **One of the Top 15 Tea Exporters in Sri Lanka.**

Certificate Logos

We are an ISO 22000:2018 HACCP/GMP certified company who work closely with specialist advisors to ensure our consistent compliance with their requirements and standards.

Our highly experienced purchasing and packaging teams work with clients across the world to ensure quality and brand compliance, and we pride ourselves in creating products to world-class standards.

Quality Assurance

Quality is a key focus area of Shan Teas, from the procurement across all stages of production, packaging & shipment.

We take upon ourselves to clean all machines and check accordingly if different products are made in the same equipment.

Moisture test is carried out for all blended/finished products. Microbiological test and pesticide residues test are done for the teas annually.

Where a product has been withdrawn due to health hazard, other products which are produced under similar conditions or time shall be evaluated for safety and if needed are withdrawn.

Health, Safety and Environmental Policies

- ❖ The building and the environment are inspected at least once a month accordingly to the FSMS (Food Safety Management System) procedure and corrective action are be taken if required. Check list is maintained.
- ❖ In addition to the uniform the employees and staff are provided with head cover. No one shall enter the production floor without wearing these safety clothes.

Key Personnel

Shamilal Wirasinha

Managing Director

Having entered the tea trade at its most junior position at the age of 17, and having worked his way up to handling his own markets, he has experience in every aspect of marketing, purchasing and exporting tea to a wide variety of markets.

In 2003 Shamilal opened Shan Teas (Private) Limited with only one other member of staff. From this starting point the company has grown to be in the top 15 tea exporting firms in Sri Lanka, with markets in every major tea-exporting area in the world.

Shamilal believes in being directly involved in ensuring the quality of every shipment made by Shan Teas, and prioritises client contact and building long-term relationships with all his clients. He travels to all his markets every year to have direct contact with his clients and understand their requirements; an approach that is followed throughout the entire firm.

The Team Also Comprises of;

Mr Lasantha Welikala – Director

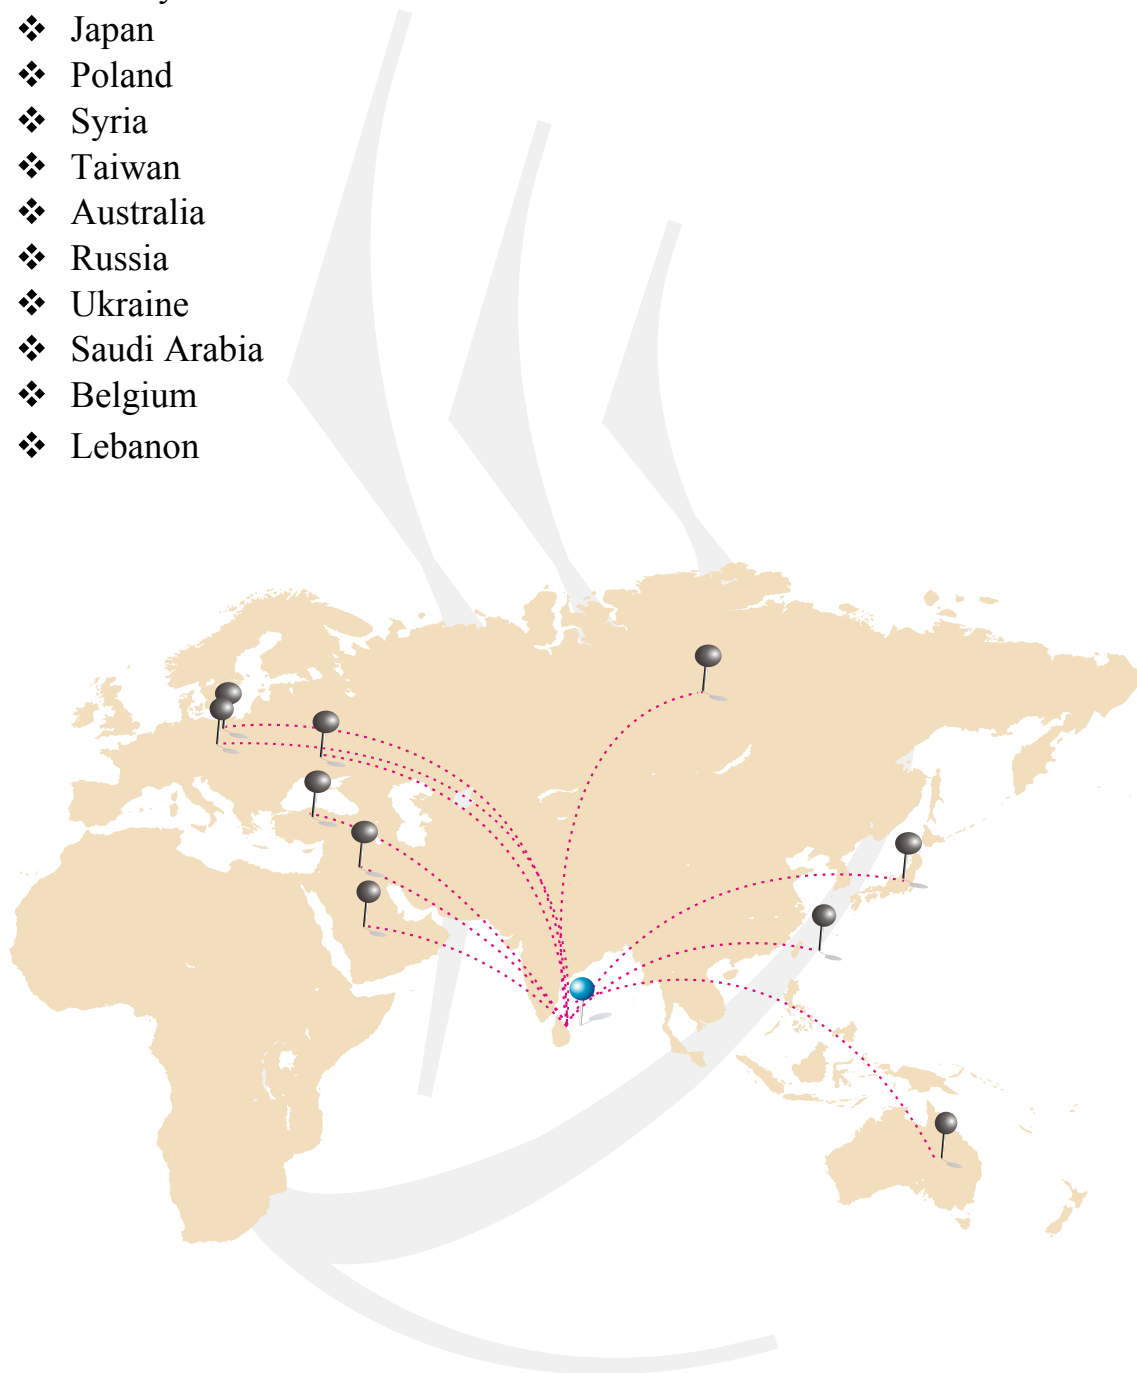

Mr Ruwan Wanigasooriya – CEO

Mr Lakshman Fernando – Head of Production & Warehouse

Mr Tivanka Wijerathne – Head of Tea Department
