

GOLDEN ERA

Golden Era tea is hand-picked and specially blended from the very finest the verdant hills of Ceylon have to offer. We take pride in our nation's time honored tradition of providing the world with the best tea ever tasted. We make it our mission to uphold this standard. For us, it's more than just a drink, it's part of our history, our culture, our identity. We hope that each aromatic cup of Golden Era tea will be an experience of the warmth and richness that is 'Ceylon'.

WELLNESS TEAS

Let us introduce you to our range of wellness teas. For centuries people across multiple cultures have trusted herbs for the specific wellness benefits that they believed they provided. Wellness teas are different because they combine multiple botanicals to provide specific benefits for one's body. Whether you're looking for a tea to help soothe seasonal ailments or just a boost for your everyday wellness, there's probably a combination of herbs that can help. Be pleasantly surprised at our range of wellness teas and all they have to offer.
