To whom it may concern,

Technical Data Sheet for Sparking Kitul Raa of Ceylon

Product Name: Sparking Kitul Raa of Ceylon

Manufacture: Agrideshiya (Pvt) Ltd, 504 C/2, Vidyala Mawatha, New Town, Ratnapura, Sri Lanka.

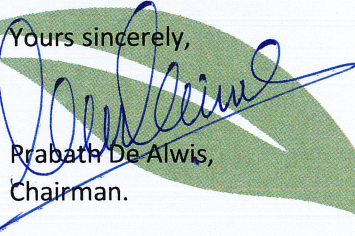

Product Description:

Raga, Sparkling raa of Ceylon is a fermented beverage of sap of Kithul/Fishtail palm (*Caryota urens*) which is collected by tapping of young inflorescences. The sap is collected, and heat treated to eliminate all microbes and fermented with selected pure line of yeast in fermentation tanks under controlled conditions in a state of art of brewing facility which complies with ISO 22,000 food safety management requirements. The product is packed in 330 ml beverage cans following pasteurization and carbonation which ensure that no live microorganisms are in the final product.
