Booth No.: 4D303

Company Profile :

We make our own USP/EP grade Nicotine entirely from tobacco in india. Our nicotine is made with finest quality, high-strength tobacco sourced from the rolling plains of india's tobacco heartland, Gujarat.

This facility is about 90 Kilometers away from Ahmedabad International airport. The site is clear of any obstructions and is free from any polluting industrial units in its vicinity. As a matter of fact, this is the only manufacturing unit in the area. A raised compound wall and plants around the periphery guard the facility from dust.

A very large part of providing consistent quality is experience. Nico Orgo has been in the nicotine business since 1979! A non-stop search for excellence, and an obsession with quality has led us to a very refined manufacturing process that ensures top-quality, consistent Nicotine in every single batch.

Constant improvement has meant that we now manufacture our pharmaceutical grade Nicotine in an ISO 6 grade, WHO cGMP Cleanfactory.

Product Profile :

Nicotine USP/EP
Nicotine Polacrilex USP
Nicotine Bitartratedihydrate
