

MEADERY

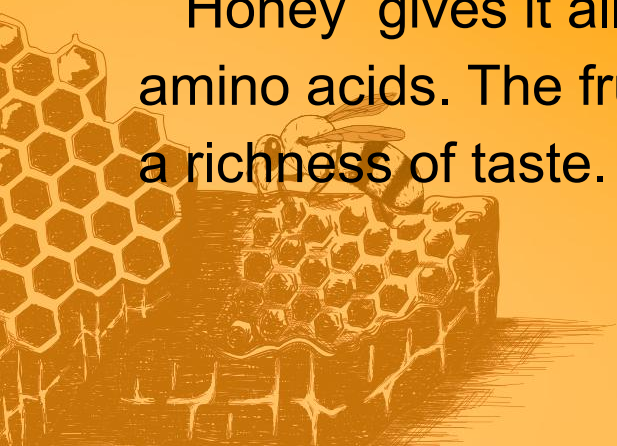

MODOVYI
spas

"Medovyi Spas" meadery is one of the biggest industrial meaderies in Ukraine. "Medovyi Spas" meadary is engaged in the production of honey drinks under the CIKERA brand.

CIKERA is a honey drink obtained by fermentation of honey, directly squeezed fruit and berry juices without the addition of sugar and ethanol.

Honey gives it all the aroma, saturation with enzymes and amino acids. The fruit and berry bounty of Ukraine gives this drink a richness of taste.

"Medovyi Spas" honey brewery passed a complex audit of the "International Organization for Standardization, ISO" and received the 22000: 2018 standard.

At the 47th Apimondia Congress of the World Federation of Beekeeping Associations, the largest and most important event in the field of beekeeping industry, held in Istanbul in 2022, CIKERA honey drinks from meadary Medovyi Spas received silver medal.

The "Medovyi Spas" meadery started exporting its products to Japan.

CIKERA honey drinks are a unique gastronomic product of Ukraine.

A long row of stainless steel brewing tanks in a brewery. The tanks are arranged in a line, receding into the distance. Each tank has a conical bottom and is supported by a metal frame. The floor is tiled, and the walls are also tiled. The ceiling is white with recessed lighting. In the foreground, there is a piece of equipment with a circular component and hoses. On the right side, there are blue barrels. The overall scene is clean and industrial.
