

Elementa

foods

The **Plant Based Revolution** is underway and it is changing
the way we produce, process and consume proteins,

but **Latin America** is lagging behind.

Elementa

foods

We are the **partner of choice** for those food and feed innovators seeking solutions for their **supply chain challenges**

Elementa is at the center of the alternative protein revolution...

Farmers

Consumers

 **Elementa** 

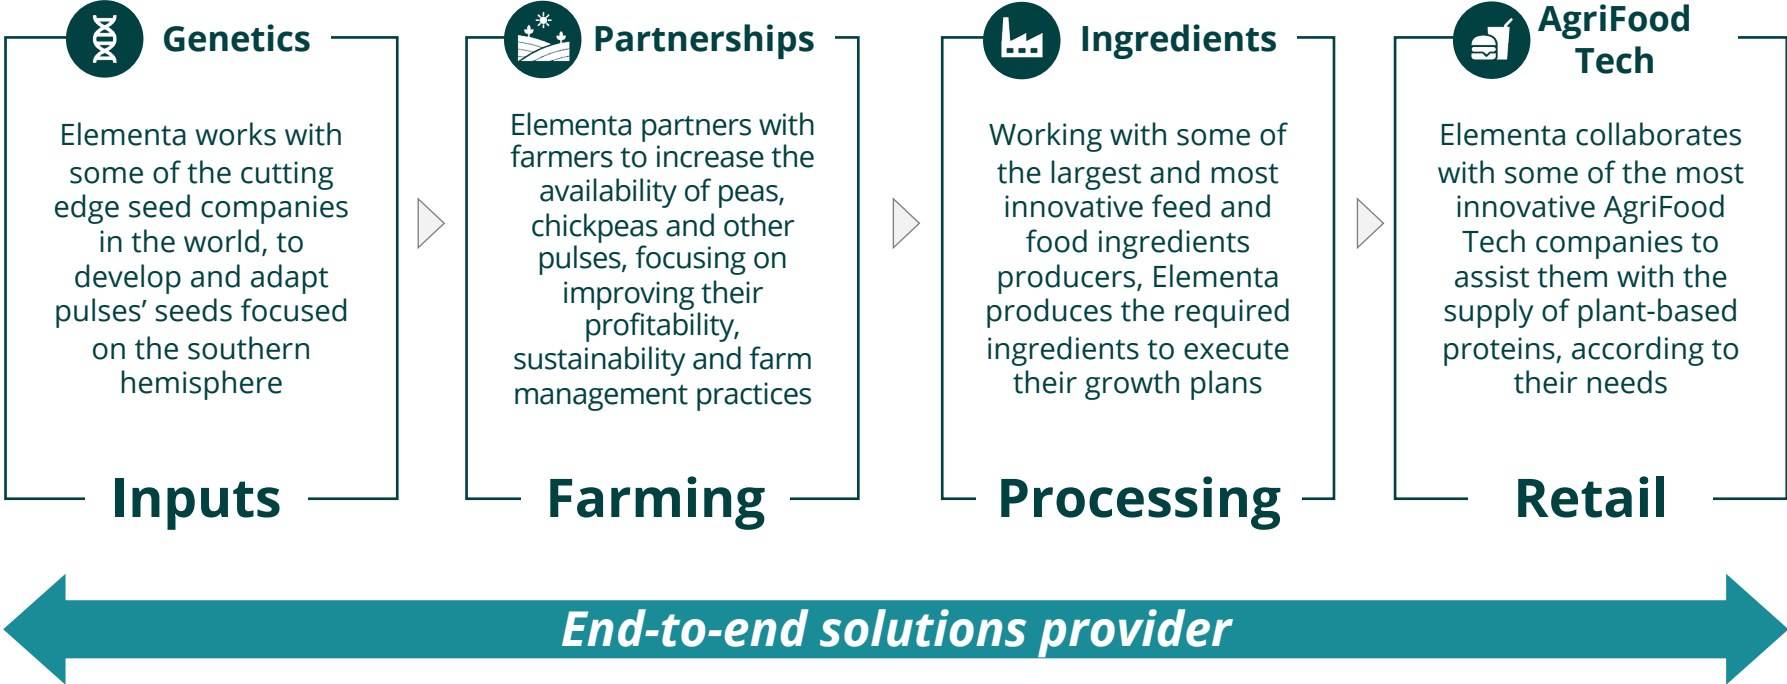

[Picture of Beyond's Meat Burger]

... closing the gap between farmers and consumers

[Picture of Beyond's Meat Burger]

Elementa participates across several steps of the value chain...

... covering a wide range of ingredients, with peas and lupins at the heart of the Company's portfolio...

	Grains	Flours	Texturized	Concentrates	Special Oils	Biodiesel	Feed Formulas
 Yellow Peas							
 Lupins							
 Chickpeas							
 Mung Beans							
 Corn							
 Sunflower/HO							

Existing
