We looove jam and marmalade

At Fynbo we believe life is sweet. Our products add a little sweetness to life, and we have made it our mission to do the same. We choose to see the positives in life.

We take pride in using Fairtrade® sugar. Fairtrade® aims to ensure more fair terms of trade for farmers, protect workers rights and secure fairer pay. The end goal is to change the world for the better a little bit every day.

Explore our world of products made from carefully selected fruits and berries. In addition to jam, marmalade, fruit spread and reduced sugar jam we offer a wide range of products all made without artificial colorings or flavorings. You can be sure that every bite is a great-tasting experience developed with love and care.

Spreading sweetness the responsible way

At Fynbo Foods, we take CSR and compliance very seriously. We believe that running a business ethically and sustainably is not only the right thing to do, but it also makes good business sense. We believe that sustainable development is about creating a balance between economic growth, social cohesion, and a good environment, and we try to make our modest contribution in all areas.

Food safety is always given the highest priority and the quality manual is based on HACCP principles. Fynbo Foods is certified according to the most recent GSFI food safety standards.
