# Invitation

Greetings from IT Park Uzbekistan!

We are delighted to announce ICT Week Uzbekistan 2023, taking place on October 24–27th in Tashkent, Uzbekistan. You are cordially invited to join this prestigious event, where industry leaders and experts will gather to discuss the latest trends and challenges in the digital landscape. Your presence and expertise will greatly contribute to the success of this event.

The summit will be attended by representatives from governments and businesses from all over the world. This is a great opportunity for you to meet with these representatives and forge new relationships.

Your insights and wealth of experience are highly regarded, and we believe that your participation would greatly enhance the forum. It would be our utmost honor to extend an invitation to you for this esteemed event.

We sincerely look forward to welcoming you ICT Week Uzbekistan 2023 in Tashkent and creating a memorable experience for all participants.

Sincerely,  
**IT Park Uzbekistan Team**

# About ICT Week Uzbekistan

ICTWEEK UZBEKISTAN – is a large and important event that has been held on an annual basis since 2004 in the field of information technologies in Uzbekistan.

This event will traditionally combine a number of specialized events into a single format.

The main objective of the ICTWEEK is to create a platform for the exchange of experience and demonstration of the achievements of modern technologies and innovations. It is also an ideal platform for demonstrating the attractiveness of the Uzbek IT market to foreign investors, the interaction between the state, companies and consumers.
