and acoustic panels.

WHAT'S IMPORTANT FOR US?

OUR MISSION

To provide our partners with products that will allow to increase turnover in the decoration department; constantly looking for innovations, new products in the wall decoration sector

OUR VISION

To be a company that, thanks to the quality of products and services as well as continuous development, is present in furniture and DIY chains in all countries in Europe

OUR STRATEGY

Win of new customers in Europe; development of new products

HOW WE WORK

STEP 1ST

Researching the needs and requirements of our partner

STEP 2ND

Analysis of the final customer and of the current assortment

STEP 3RD

Determining areas that will increase turnover and creating an offer on this basis

STEP 4TH

Support in creating a planogram and exposition in the store

STEP 5TH

Delivery and after-sales service
