

LIVE ON THE SEA!

ORSOS ISLAND®, the floating island

ORSOS
ISLANDS

**Disconnect from the world, have a holiday and increase your income!
Choose the ORSOS ISLAND®, the floating paradise!**

Nowdays it is becoming more and more difficult to purchase a property in the luxury holiday regions or close to the rivieras.

ORSOS ISLANDS® is the perfect solution for those who wish to enjoy life in an exclusive green environment, the freedom of movement and financial profit. Have a summer holiday on the Spanish Riviera then choose another country as you wish.

Only your imagination can set boundaries!

Business opportunities of the ORSOS ISLAND® apart from private use:

- as a hotel (only rooms or the whole island can be rented),
- it can be the perfect investment of a restaurant for up to 200 people

ORSOS ISLAND® the „Green Island“

- is totally environment friendly,
- it has zero carbon emission,
- it's maintenance is autonomous, it has own solar panels, water purifier and quiet wind turbine

Further advantages of the yacht of new generation

- there is no need of a captain and permanent staff,
- 3 people staff can cover all the yacht related tasks,
- all you need is a floating permit

Technical details

The Island has, with more than 20 meters (66 feet) of width and over 37 meters (121 feet) of length, great potential for a sophisticated and spacious layout.

Equipment

We offer taylor-made solutions; the basic model of the yacht is of 6 rooms, on the top with a sunbathing area, in the lower deck with a cinema room – can be converted as required: A jacuzzi, DJ desk can be added, we can add also underwater windows to the lower deck, so you can enjoy and observe the underwater life.

Enjoy life with an extraordinary floating island!
