

POWERING THE FUTURE

# HIT CONSOLIDATED COMPANY PROFILE

[www.hitconsolidated.com](http://www.hitconsolidated.com)

# ABOUT US

Established in 2014, HIT Consolidated is a leading trading company specializing in sourcing and exporting nature's finest produce from Sri Lanka around the world. Headquartered in Colombo and with an extensive global network, we have built a diversified business across multiple sectors while remaining anchored to our passion for showcasing Sri Lanka's tropical bounty.

- **VISION**

To be the most reliable partner providing efficient access to quality products and technological solutions.

- **MISSION**

To constantly innovate and improve our services to deliver maximum value to our local and global clientele.

# WHAT WE DO?

HIT Consolidated has carefully cultivated specialized business divisions that we continue to lead the market in:

- 1. Food Ingredients**
- 2. Water Treatment Chemicals**
- 3. Industrial Chemicals**
- 4. Essential Oils**
- 5. Tropical Fruit Exports**

## **Food Ingredients:**

We are the sole distributor in Sri Lanka for reputed food ingredient brand - ABC Fruits India. We handle their range of fruit pulps, purees and concentrates spanning mango, grape, aloe vera and more essential ingredients for food processing across industries.

## **Water Treatment Chemicals:**

As the sole agent for premium water treatment chemical manufacturer Rossario Biotech, we offer complete solutions in potable and industrial/commercial water treatment applications. This encompasses speciality water treatment chemicals, designing and building treatment solutions basis client requirements as well providing ongoing operation and maintenance services.

# WHAT WE DO?

## Industrial Chemicals:

Through our partnership with companies like Yumin Corporation, South Korea - we represent some of the world's finest industrial chemicals for textile processing units, refineries, construction sector and other user industries within Sri Lanka.

## Essential Oils:

Sri Lanka has an established reputation as a premium producer of essential oils renowned for purity. Building extensive partnerships with spice farms and smallholder collectives around the country, we sustainably source and supply Ceylon cinnamon oils, clove oil and more to businesses across geographies.

## Tropical Fruit Exports

While the company directors have cultivated in-depth domain knowledge across above business lines over the last decade, HIT Consolidated's passion lies in exporting the very best of exotic Sri Lankan fruits to international buyers. By responsibly harnessing the full potential of Sri Lanka's fertile soils, biodiversity and traditional farming wisdom - our fruit exports deliver good health, honest value and ensure sustainable livelihoods for local communities.

# TROPICAL FRUITS

Our tropical fruit export range encompasses:

- Fresh Fruits- Seasonal produce like Kent mangoes, bananas, pineapple, papayas, jackfruits , carefully packed and shipped at optimal freshness.
- Processed Fruit Products - Our portfolio includes fruit juices made from Sri Lankan mangoes, wood apples and other natives, solar dried low moisture fruits retaining natural goodness as well we create custom processed fruit products basis client requirements including:
  - Fruit juices & Jams
  - Packaged young Jackfruit
  - Virgin Coconut oil
  - Organic Fruit purees

## Our Strengths

- Strong network of reliable manufacturing partners
- Compliance to highest food safety management processes
- Experienced team with 15+ years of cross-industry expertise
- End-to-end solutions in international trade operations & shipping
- Optimized supply chain to ensure farm-to-port freshness

# QUALITY & TRUST

At HIT Consolidated, we take no shortcuts and make no compromises when it comes to global food quality standards right from cultivation to packing and shipping. We have made significant investments to comply fully with stringent safety guidelines laid out. All our trusted supplier partners are compliant in:

- HACCP Principles
- ISO 22000
- EU Organic Farming Regulations (for certified organic fruits)

By guaranteeing the highest levels of hygiene, food safety and traceability across both our supply chain and externally audited processes, we provide you complete peace of mind and transparency when you source Sri Lankan fruit products from us. HIT Consolidated aims to be your trusted trade partner delivering value beyond expectations!
