# How does Hydromol® Work?

For management of dry skin, a feature present in all forms of dermatitis/eczema, psoriasis & all degree of ichthyosis & senile pruritus<sup>13-16</sup>

- **Hydromol® is composed of a formulation containing the following (either or/and):**
  - a. Humectants: molecules that influence water movement within the skin, by displaying 'water holding' properties
  - b. Emollients: come in multiple variations & consistencies, but broadly form a physical barrier to the skin to prevent water loss & retain moisture

Forms an occlusive barrier film on the skin

Acts as a barrier to prevent evaporation of water

Retain water within the skin cells

Overall: retain water & increased moisture to the skin

# 完全润肤疗法 (CET)

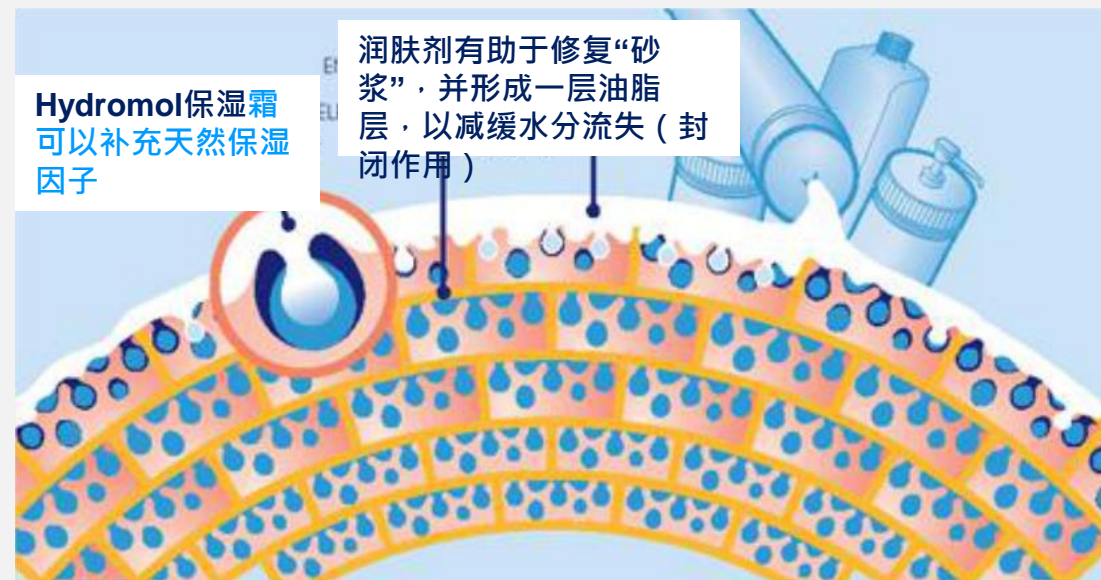

完全润肤疗法被认为是所有干性皮肤疾病最重要的治疗方法。所有的肥皂和洗护用品都应该用润肤剂代替。用于皮肤上的所有产品都应该添加润肤剂。

完全润肤疗法包括面霜、软膏、洗涤产品和洗浴产品。

润肤疗法原理是通过在皮肤上形成油脂层来构建屏障，从而减少水分从皮肤的流失。润肤剂还帮助修复“砂浆”，促进皮肤细胞紧密连接。因此，润肤剂能够帮助修复由湿疹所致的皮肤自然屏障受损。

Fortnum & Mason was born in 1707 and has a history of more than 300 years. It is the frequently experiential shopping paradise for British royal, aristocratic and high society and it has become the British royal family food brand.

Every year, millions of visitors from all over the world come to London's flagship store on Piccadilly Street to enjoy Fortnum & Mason's famous afternoon tea and shop in its extensive food, gift and perfume hall. # Hampers

Our hand-woven hampers are made from willow and come in a variety of shapes and sizes, making them suitable for every occasion. Whether it's a birthday, retirement, new house, new job, new beginning, or new arrival, send a hamper full of extraordinary things to eat, drink, and enjoy.

Fortnum & Mason's hamper is the most travelled meal box in the world. Over the course of 315 years, it was sent wherever it could be, from the slopes of Mount Everest and the battlefields of Iraq to the more popular lawns of Twickenham, Henry and Epsom. This is synonymous with portable entertainment.

In 1911, when feminists were imprisoned for breaking our windows, we gave them hampers after they were released from Holloway. Contains our famous beef teas and the like, their contents are designed to help boost their strength.
