

the**cine**.ma

Magic hidden among your furniture....

thecine.ma is a luxury brand offering a unique and innovative product in the form of a home cinema system integrated into a high-end drawer.

Equipped with a laser projector, the drawer guarantees exceptional visual experiences and immersive sound effects. BHM, a part of this project, ensures the highest quality furniture. The drawer is available in a wide range of materials and designs.

thecine.ma delivers an extraordinary cinematic experience, combining advanced technology with elegant design. The option for customization allows the furniture to be perfectly tailored to the client's individual needs and interior style.
