The soul of El Puerto in all your dishes

La esencia de El Puerto en tus platos

The *taste* of a story that began in 1992

***The family enterprise Vinagres de Yema, S.L., is
headquartered at a winery complex in the centre
of El Puerto de Santa María.***

In 1992 our founder, Mr. Fernando T. de Terry y Galarza, acquired a number of century old soleras and vintages of Sherry Vinegar, dated at more than a century and located in warehouses whose structures were typical of wine cellars, with pipeclay floors and vaulted ceilings, which are still preserved today.

The discovery of this culinary treasure sparked the idea of founding a company dedicated exclusively to the creation, aging and bottling of unique and very select vinegars.

Our vinegars are fruit of the same meticulous care as the famous wines from which they proceed. They are all aged in oak barrels that previously contained sherry, observing the traditional Criaderas y Soleras system.

Designation of Origin Certification

All our products boast the guarantee entailed by the Jerez-Xérès-Sherry Regulatory Council.
